The Annual Member Appreciation and Business meeting was another success. Thank you all who came out and enjoyed the day with us. During the business meeting Vice President Ron Rogers discussed the Board and the changes that have occurred with the passing of our President Doug Clark. The membership voted on changing par value from \$25.00 to \$5.00. The vote passed and you may now open an account with \$5.00 in your share account. CEO Matt Jennings touched on what we accomplished in 2007 and what we are planning for 2008.
