SEPTEMBER 2006

CU*EasyPay! Is Getting a Face Lift!

On September 30, 2006, the CU*EasyPay! online bill payment application is being upgraded. A new centralized "Payment Center" lets you see all of your pending bills and recent payment history in one place. New features such as same and next day payment options, setting up a biller with just a phone number, and email reminders of bills coming due will make it easier and faster than ever before to pay your bills online. You can still track payment history, sign up to receive e-bills, and pay anyone you want, any time you want, with the click of a mouse!

If you haven't enrolled yet, now is the perfect time to check it out! You can enroll by clicking the "Pay Bills" button in CU*@HOME. For members that already use CU*EasyPay!, we hope you enjoy the new look and the great new features! If you have any questions about CU*Easypay please call Shannon Allmon at 419-675-2322.

SHARED BRANCHING

WE'RE NOT ON THE MOON YET...
BUT WE'RE SHOOTING FOR IT!

Shared Branching Means More Options for You

Hardin Community Federal Credit Union has added another convenient member benefit – you can now access your credit union accounts at more than 2,000 locations throughout the country, including more than 120 in Ohio. Hardin Community Federal Credit Union is a member of the Shared Branching network, a fast-growing national and international network of credit unions that allow members of other credit unions to use their branches to conduct basic teller transactions.

Credit unions have joined together to "share" their facilities as a way to provide convenient service to their credit union members. Wherever you see the Shared Branching "swirl", you can conduct financial transactions at that credit union location.

What can you do at a Shared Branching location? Almost everything you normally do with a teller at your own credit union, and there's no additional charge to you. You can make deposits, withdraw money, cash checks, transfer funds, make loan payments, get a copy of your statement, and more. All you need is your credit union account number and a photo ID.

To find a Shared Branching location near your home, work or favorite vacation spot, simply log on to www.SharedBranching.org to find the most convenient locations. If you have any questions please feel free to call either of our offices.
