

Kenton, Ohio – Quest Federal Credit Union is proud to announce the groundbreaking of its 6th branch office in Russells Point, Ohio. The new office will be located at 148 West Main St, Russells Point. Matt Jennings, CEO of the Credit Union commented, “We look forward to adding to the Indian Lake community with our branch at Russells Point. Expect the same personal and professional service our existing members have come to expect from all of our branch locations.”

The new branch will be staffed with a VP of Branch Operations and a Loan Officer specializing in mortgage, agricultural, and consumer lending. In addition, two highly trained Member Service Representatives will be employed full time. Quest will offer a full line of personal and agricultural financial products and services to fit the needs of all Logan County residents. It is expected to open for business in the spring of 2022.

“Quest FCU and its Board of Directors made a promise many years ago to add a branch at Indian Lake, it’s taken a little while to get here, but we are excited to break ground and start this project!” said Board President, Sarah Wirbel.
