

QUEST FEDERAL CREDIT UNION – NOMINEE BIOGRAPHIES

BOARD OF DIRECTORS & CREDIT COMMITTEE

RON B. ROGERS (BOARD OF DIRECTORS NOMINEE)

My name is Ron B. Rogers. I serve on the Quest Federal Credit Union Board of Directors as the Vice President. As Vice President, one of my duties is to serve on the Asset Liability Management Committee (ALCO). My choice of occupation reflects my dedication to helping people. I have served our community as a Police Officer, 9-1-1 Director, and Teacher (at Ohio Hi-Point Career Center, Logan County). I also served northwest Ohio with the State Support Team Region 1 as an educator working with districts in school improvement. Now I serve all of Ohio as a Director of the Universal Design for Learning Center with the Ohio Center for Autism and Low Incidence (OCALI).

I enjoy learning as much as possible and have a Doctorate in Educational Leadership from the University of Findlay and a Master of Education Degree from The Ohio State University. I continue to live in Hardin County with my wife and two children. At the same time, they have supported my volunteer role as a Board Member of the credit union. They agree with my belief in the credit union's philosophy and mission of helping our members enrich their lives. My 25 years on the credit union board have been positive, rewarding, and refreshing. I have learned a great deal about the credit union's operations. Technology has and will continue to drive and shape our lives and I have been integral in seeing that our credit union is an industry leader in this area.

I currently serve in our community as a Pleasant Township Trustee and a board member of Grove Cemetery. I look forward to continuing my leadership role with our credit union. Again, I thank you in advance for your support.

ALLEN BARRETT (BOARD OF DIRECTORS NOMINEE)

My name is Allen Barrett, and I am the former Vice President of the Board for Quest Federal Credit Union and have served on the board for 33 years. I have spent my life working in agriculture as a full-time family farmer for 60 years and have serviced Goshen Township for 30 years as a Trustee. I am also President of the BKP Ambulance District where my experience with finance on the Quest Board has proven to be an asset.

My experience on the board has been outstanding and I believe that as an organization we consistently work towards fair and equal treatment of our members that in turn improves their lives through low-cost services and assistance in achieving their life goals. The credit union can and does make a difference in members' lives and I enjoy being a part of this and believe that it is important for Hardin, Logan, and Wyandot Counties to have such an organization.

Currently, I am Clerk for the Session Marseilles Presbyterian Church, Goshen Township Trustee, Quest Federal Credit Union Board Member, and BKP Ambulance Board Member. I am active in my church, my community, and the lives of my family members.

JEFFREY BEACH (BOARD OF DIRECTORS NOMINEE)

My name is Jeff Beach and I currently serve on the Quest Federal Credit Union Board of Directors in my fourth term but have served as a volunteer Security Officer for more than 42 years. I oversee the security of our facilities and the staff as well as our off-site fleet of ATMs. I have enjoyed serving in this role as a volunteer and in my time as a Board Member, have enjoyed learning and being involved on a new level. I am retired from Rockwell International and dedicate myself to security training and learning more about the financial reporting of the credit union. I have enjoyed my experience with the credit union and believe in the philosophy of “people helping people”. It is rewarding to serve an organization with this as its guiding principle.

I have served the community in various positions with the Boys Scouts, Jr. Fair & 4-H, and the Kenton Moose Lodge and I am now continually active in the Hardin County Volunteers in Police Service or the “VIPS”. The VIPS is a group of trained individuals who assist the Hardin County Sheriff's Department with various tasks and duties. I was awarded the 2009 Volunteer of the Year by the Western Buckeye Chapter of Credit Unions and I am a member of the Kenton Nazarene Church. I am married to Vickie (Musser), and we have two children, six grandchildren, and two great-grandchildren.

PAUL A. MINTER (CREDIT COMMITTEE NOMINEE)

My name is Paul Minter and I currently serve as a Credit Committee Member for the Quest Federal Credit Union Board of Directors. Prior to serving on Credit Committee, I served as an Intern, as well as being involved with the Ag*Quest and Business Credit Committee. During my time as an intern, I have learned a great deal about the operations of the credit union, and I look forward to helping our members achieve the goals they are working for because I believe in our philosophy of “people helping people”.

I grew up on a small, local farm and have been helping my family operate it throughout most of my life. Four years ago, I took over the operation of the farm. Also, I have worked at Triumph Thermal Systems for 22 years. For 20 of those years, I have been the Third Shift Union Steward representing my coworkers. I am married and have three children. I have been a coach for many different sports through Hardin Northern Schools and I am an active member of the Walnut Grove Church.
