#### ***Ron B. Rogers (Board of Directors Nominee)***

My name is Ron B. Rogers, and I serve as the Vice President of the Quest Federal Credit Union Board of Directors. In this role, I participate on several committees, including the Asset Liability Management Committee (ALCO), Strategic Development Committee, and Executive Committee, as well as handling any other duties assigned by the Board President.

My career reflects my commitment to helping others. I have served our community in various capacities, including as a Police Officer, 9-1-1 Director, and Teacher at the Ohio Hi-Point Career Center in Logan County. Additionally, I worked with the State Support Team Region 1 in northwest Ohio as an educator, focusing on school improvement. Later, I became the Director of the Universal Design for Learning Center at the Ohio Center for Autism and Low Incidence (OCALI), serving all of Ohio.

I am passionate about learning and hold a Doctorate in Educational Leadership from the University of Findlay, as well as a Master of Education degree from The Ohio State University. I live in Hardin County with my wife and two children, who have consistently supported my volunteer role as a Board Member of the credit union. They share my belief in the credit union's philosophy and mission of enriching our members' lives. My 28 years on the credit union board have been positive, rewarding, and refreshing, allowing me to learn extensively about the credit union's operations. I have also played a key role in ensuring our credit union remains an industry leader in technology, which continues to shape our lives.

In addition to my work with the credit union, I currently serve as a Pleasant Township Trustee and am a member of the Grove Cemetery Board. I look forward to continuing my leadership role with Quest Federal Credit Union and appreciate your support. Thank you in advance!

#### ***Allen Barrett (Board of Directors Nominee)***

My name is Allen Barrett, and I am the former Vice President of the Board for Quest Federal Credit Union and have served on the board for 36 years. I have spent my life's work in agriculture as a full-time family farmer for 60 years and have served Goshen Township for 35 years as a Trustee. I am also President of the BKP Ambulance District where my experience with finance on the Quest Board has proven to be an asset.

My experience on the board has been outstanding, and I believe that as an organization we consistently work towards fair and equal treatment of our members, which in turn improves their lives through low-cost services and assistance in achieving their life goals. The credit union can and does make a difference in member's lives and I enjoy being a part of this and believe that it is important for Hardin, Logan and Wyandot Counties to have such an organization.

Currently I am Clerk for the Session Marseilles Presbyterian Church, Goshen Township Trustee, Quest Federal Credit Union Board Member and BKP Ambulance Board Member. I am active in my church, my community and the lives of my family members.
