

### **Nominee Biographies – Board of Directors and Credit Committee**

#### **Ron B. Rogers (Board of Directors Nominee)**

My name is Ron B. Rogers, and I currently serve on the Quest Federal Credit Union Board of Directors. I act as the Budget Committee Chairman as well as serve on the Asset Liability Management Committee (ALCO). My choice of occupations reflects my dedication to serving people. I have served our community as a Police Officer, 9-1-1 Director, and a Teacher (at Ohio Hi-Point Career Center, Logan County). I also served northwest Ohio with the State Support Team Region 1 as an educator working with districts in school improvement. Now I serve all of Ohio as a Director with the Ohio Center for Autism and Low Incidence (OCALI). I also enjoy serving as the Chairman of the Ohio State Advisory Panel for Exceptional Children (SAPEC).

I enjoy learning as much as possible and have a Doctorate of Educational Leadership Degree from the University of Findlay and a Master of Education Degree from The Ohio State University. I continue to live in Hardin County with my wife and two children who have supported my volunteer role as a Board Member of the Credit Union. They agree with my belief in the philosophy of the credit union and its mission of helping our members enrich their lives.

My 24 years spent on the credit union board has been positive, rewarding, and refreshing. I have learned a great deal about the operations of the credit union, primarily while serving as the Vice President and Secretary. Technology has and will continue to drive and shape our lives, and I have been an integral part of seeing that our credit union is an industry leader.

I currently serve in our community as a Pleasant Township Trustee and a board member of Grove Cemetery. I look forward to continuing my leadership role with our credit union, and I thank you in advance for your support.

#### **Allen Barrett (Board of Directors Nominee)**

My name is Allen Barrett and I am the Vice President of the Board for Quest Federal Credit Union and have served on the board for 27 years. I have spent my life's work in agriculture as a full time family farmer for 60 years and have serviced Goshen Township for 30 years as a Trustee. I am also President of the BKP Ambulance District where my experience with finance on the Quest Board has proven to be an asset.

My experience on the board has been outstanding and I believe that as an organization we consistently work towards fair and equal treatment of our members that in turn improves their lives through low cost services and assistance in achieving their life goals. The credit union can and does make a difference in member's lives and I enjoy being a part of this and believe that it is important for Hardin, Logan and Wyandot Counties to have such an organization.

Currently I am Clerk for the Session Marseilles Presbyterian Church, Goshen Township Trustee, Quest Federal Credit Union Board Member and BKP Ambulance Board Member. I am active in my church, my community and the lives of my family members.

**Jeffrey Beach (Board of Directors Nominee)**

My name is Jeff Beach and I currently serve on the Quest Federal Credit Union Board of Directors in my third term but have served as a volunteer Security Officer for more than 35 years. I oversee the security of our facilities and the staff as well as our off-site fleet of ATM's. I have enjoyed serving in this role as a volunteer and in my time as a Board Member, have enjoyed learning and being involved on a new level. I am retired from Rockwell International and dedicate myself to security training and learning more of the financial reporting of the credit union. I have enjoyed my experience with the credit union and believe in the philosophy of "people helping people". It is rewarding to serve an organization with this as its guiding principle.

I have served the community in various positions with the Boys Scouts, Jr. Fair & 4-H and the Kenton Moose Lodge and I am now very active in the Hardin County Volunteers in Police Service or the "VIPS". The VIPS are a group of trained individuals who assist the Hardin County Sheriff's Department with various tasks and duties. I was awarded the 2009 Volunteer of the Year by the Western Buckeye Chapter of Credit Unions and I am a member of the Kenton Nazarene Church. I am married to Vickie (Musser) and we have two children and three grandchildren.

**David P. Sturgeon (Credit Committee Nominee)**

My name is David Sturgeon and I am a nominee for the Credit Committee of the Quest Federal Credit Union. I am retired from the Kenton City Schools after 37 years in various roles retiring as Superintendent. I have served on the Credit Committee for the past 18 years.

With my years of experience on the Credit Committee, as well as Superintendent of Kenton School, I believe that I have the skills needed to make smart loan decisions that protect the credit union while also making decisions that are based on fact and take into account the needs of the member and contributes to their quality of life. I have watched the credit union grow and change over the years, I believe that I have contributed to our success and to the success of our members and I have enjoyed being serving our communities as a part of this organization. I serve as a Volunteer in Police Service for the Hardin County Sheriff, I am an active member of the Kenton Lions Club, serve on the Goshen Township Zoning Appeals Board and the Kenton City Schools Excellence in Education Foundation.
