

Nominee Biographies – Board of Directors and Credit Committee

Terry Minter (Board of Directors Nominee)

My name is Terry Minter and I am a current Board Member of Quest FCU and have served on the board for 21 years. I am a graduate of Hardin Northern and of MATA in Computer Programming. I retired from Arvin Meritor after 30 years of service and I operate my family farm and help friends, family and the church.

My experience on the board has been outstanding and I believe that as a Credit Union we treat members well, not like a number. The credit union can and does make a difference in member's lives and I enjoy being a part of this and believe that it is important for Hardin, Logan and Wyandot Counties to have such an organization.

Currently I am a member of the Walnut Grove United Methodist Church where I serve on the Pastor/Parish Board.

I am a graduate of Kenton Senior High School in 1996 and then continued my education at The State Beauty Academy graduating in 1997. I have been a hairstylist for 21 years and a small business owner for 15 years. I serve on the board of the Kenton Educational Foundation and my family attends New Hope Church.

As a member of the Supervisory Committee and Board Member of Quest Federal Credit Union I have had the unique learning experience that only comes from hands on work that I completed both on Supervisory and the Board. I currently serve on the ALCO Committee and I am the Chair of the ERM Committee. It has been and continues to be an honor to serve our members.

Karen Breidenbach (Board of Directors Nominee)

My experience with Quest as not only a Supervisory and Board Member but also as a former employee allows me a unique insight into the operations of the credit union from the staff level up. I understand the necessity for strong financial performance and the greater need to provide the best member service that we can as a cooperative financial institution.
